

AyrKing Corporation

Breader/Blender/Sifter

AyrKing offers a back to back manual breadmaking workstation with integrated automatic Blender/Sifter machines. Rotary brush sifter operates without detrimental vibration or agitation. Spirally configured nylon bristles form an auger to eject unwanted dough balls to a waste container. Ingredients are fully blended as brush tumbles breadmaking media before it exits through sifter screen. Unique process prevents dough ball grinding, eliminates usual sifting noise, & blends ingredients as it ejects waste.

INCLUDED ACCESSORIES

- (2) B101 Red plastic lug plug
- (2) B304 White plastic dough ball pan
- (2) B122 Round dip basket, stainless steel wire
- (2) B123 Round dip pot, stainless steel
- B302 White plastic breadmaking lug with hole
- B303 White plastic breadmaking lug without hole
- B325 White plastic lug cover
- B302G Gray plastic breadmaking lug with hole
- B303G Gray plastic breadmaking lug without hole
- B325G Gray plastic lug cover

OPTIONAL ACCESSORIES

- B241 Swivel casters, four locking 5" (13mm)
- B215 Divider panel, 18"H with basket hooks
- B216 Divider panel, 18"H w/ hooks & overpan
- B126 Feathering basket, stainless steel wire
- B124 Round dip pot lid, stainless steel

ADVANTAGES

- Sift and blend 30 lbs (14 kg) of breadmaking in 60 seconds in each sifter!
- Rotary auger brush blends, sifts, and ejects dough balls simultaneously
- Blending brush action prevents ingredient segregation, unlike vibrating or agitating systems
- Quiet, vibration-free operation creates results, not disturbances
- Sixty second timed cycle frees labor and saves energy
- Raised s/s lip around sifter opening prevents tabletop spills from contaminating sifted breadmaking
- Fully enclosed sifter with only four internal parts, reduces dust and allows quick and easy cleaning
- Direct drive, steel geared motor & solid stainless steel fabrication provide lasting performance
- Gray and white colored breadmaking lugs help distinguish breadmakings
- Optional divider panels available (B216 shown in drawing on back)
