

Breader/Blender/Sifter

SPECIFICATION

SAVE 40 DAYS OF LABOR AND THOUSANDS IN ANNUAL COSTS

Now there's an easy, cost-effective way to sift breadings without all the wasteful, labor-intensive manual work. The Breader Blender Sifter (BBS) from AyrKing completes the entire **blending and sifting process in less than one minute**, reducing labor costs that come with more time-consuming hands-on methods. In fact, the BBS could give operators as many as **40 days back in time savings each year**.

With the BBS, retail and grocery operators can ensure regular, more efficient sifting that **significantly extends the life of breadings supplies** — with ingredient **cost savings up to \$5,000 each year** that go straight to the bottom line. The result is consistently delicious food with every use thanks to an even distribution of spices and seasoning throughout the breadings mixture — and by cutting down on flour fall-out, the BBS helps maintain a safer work environment by lowering the risk of falls.

INCLUDED ACCESSORIES

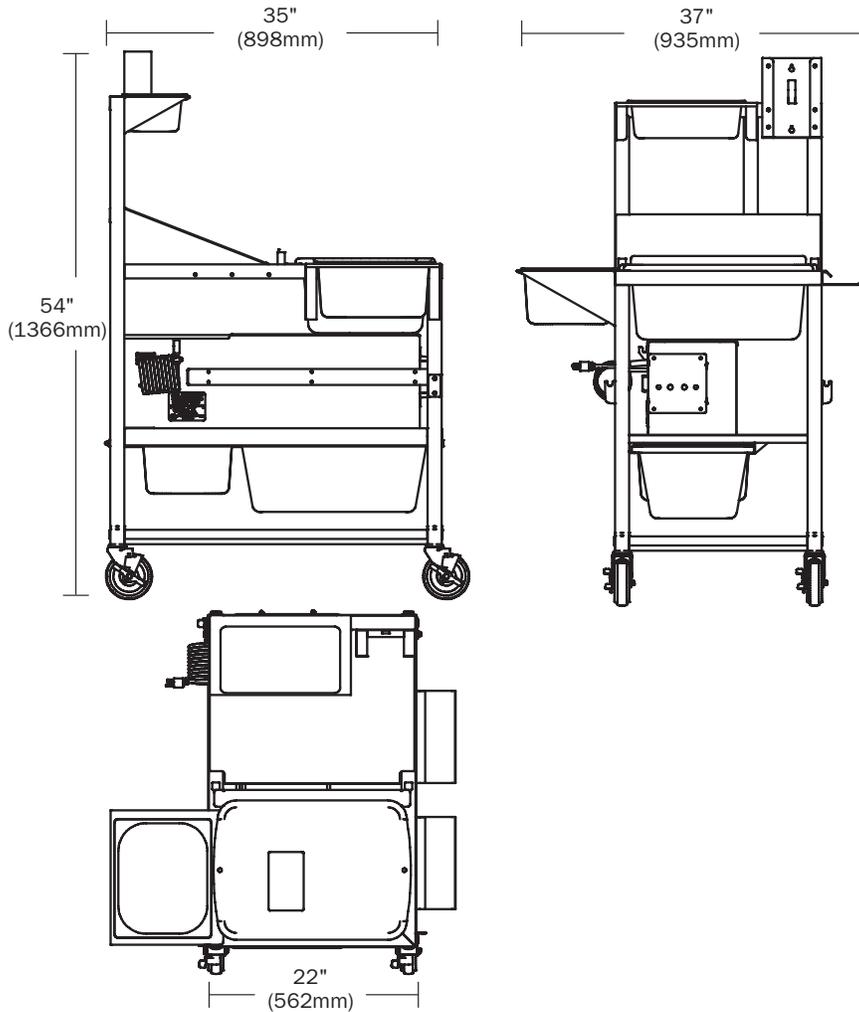

- B101** Red plastic lug plug
- B104-4** Third Size S/S Pan, 4" Deep
- B106** Full Size S/S Pan, 8" Deep
- B127** Half Size S/S Pan, 6" Deep (Qty2)
- B150S** 20" Black Bristle Sifter Brush
- B219** Brush Posts (Qty2)
- B241** Swivel casters, four locking 5"
- B411** S/S C-Clip for F/S sheet pan (Qty2)
- B259** Sloped Shelf for Drain Pan
- B104B** Third Size Pan Bracket
- B127B** Half Size Pan Bracket
- B258** Glove Hooks (Qty2)
- B302K** Plastic Breadings Lug w/ Hole
- B230** Drip Guard
- B260** Glove Box Holder

MODELS

CRATED MEASUREMENTS

UNCRATED

	CRATED MEASUREMENTS				UNCRATED
	LENGTH	WIDTH	HEIGHT	WEIGHT	WEIGHT
BBS-U-L3622	40" (1016mm)	27" (686mm)	61" (1550mm)	227 lb (103kg)	174 lb (79kg)

ELECTRICAL

Timed control board automatically senses voltage and operates at either:

115V, 50/60 HZ, 1 phase, 1.6 AMP, 184W

230V, 50/60 HZ, 1 phase, 0.9 AMP, 207W

Includes universal male three prong, recessed AC receptacle (IEC 320 C13) mating to an 8 foot (2438mm) cord with NEMA 5-15P male three prong plug

WARRANTY

One Year Parts
Ninety Days Labor
No Travel Time

ADVANTAGES

- ◆ Sifts and blends 30 lbs. (14 kg) of breadings in less than 60 seconds
- ◆ Rotary auger brush blends, sifts and ejects dough balls simultaneously
- ◆ Less than 60-second timed cycle frees up labor and saves energy
- ◆ Regular sifting extends life of breadings supplies, cutting back on waste and saving money
- ◆ Dedicated breadings area reduces the risk of cross-contamination
- ◆ Enclosed sifter reduces flour fall-out, eliminating mess and lowering the risk of falls
- ◆ Three simple internal parts allow for quick and easy cleaning
- ◆ Direct drive, steel-gear motor and solid stainless steel fabrication all ensure lasting performance
