Ice Bath

SPECIFICATION

AyrKing's IB20 is a space-efficient accessory designed to keep food items cold and readily accessible during breading operations. Compatible with many AyrKing sifters, it integrates seamlessly by resting securely on top of the sifter and utilizing the front handle for stable placement and easy removal. Positioned directly at the breading station, the IB20 helps maintain smooth kitchen workflow while saving valuable counter space. Its lightweight construction allows for quick transport to the sink and easy emptying and cleanup at the end of operation.

Model IB20 (Divider Bar not shown)
Holds 1/2 & 1/3 pan

ADVANTAGES

- Keeps your food items cold longer
- Easily attachable to BBS via the handle. EX: BBSU3515
- Rests on top of the AyrKing single sifter table, saving valuable kitchen space
- Simplifies operations by keeping the product close to the breading station
- Light weight
- Designed for easy cleaning by simply dumping the water into the sink
