Breader/Blender/Sifter

SPECIFICATION

The AyrKing BBSU4561 combines a back-to-back manual breading workstation with integrated automatic blender/sifters. Its rotary brush sifters operate without excessive vibration or agitation, while spirally configured nylon bristles form augers that eject unwanted dough balls into waste containers. As the brushes tumble the breading media through the sifter screens, ingredients are thoroughly blended. This unique process prevents dough ball grinding, reduces sifting noise, and blends ingredients while removing waste.

ADVANTAGES

- Sift and blend 30 lbs (14 kg) of breading in 60 seconds
- Rotary auger brushes blend, sift, and eject dough balls simultaneously
- Blending brush action prevents ingredient segregation, unlike vibrating or agitating systems
- Quiet, vibration-free operation creates results, not disturbances
- Sixty second timed cycle frees labor and saves energy
- With only three internal parts, the fully enclosed sifters reduce dust and allow for quick and easy cleaning
- Direct drive, steel geared motors & solid stainless steel fabrication provide lasting performance
- Gray and white colored breading lugs help distinguish breading types

INCLUDED ACCESSORIES

B101	Red Plastic Lug Plug (Qty. 2)
B122	S/S Wire Round Dip Basket (Qty. 2)
B123	S/S Round Dip Pot (Qty. 2)
B302	White Plastic Breading Lug w/ Hole
B302G	Gray Plastic Breading Lug w/ Hole
B303	White Plastic Breading Lug w/ out Hole
B303G	Gray Plastic Breading Lug w/ out Hole
B304	White Plastic Dough Ball Pan (Qty. 2)
B325	White Plastic Lug Cover
B325G	Gray Plastic Lug Cover
B201	S/S 24" Brush Cover (Qty. 2)
B202	S/S 24" Sifter Screen (Qty. 2)
B150	Black Bristle 24" Brush (Qty. 2)

OPTIONAL ACCESSORIES

B124	S/S Round Dip Pot Lid
B126	S/S Wire Feathering Basket
B215	S/S Divider Panel, 18" H w/ Basket Hooks
B216	S/S Divider Panel, 18" H w/ Hooks and Over Pan
B241	5" Locking Swivel Casters

MODELS

BBSU4561	45" Wide Work Area w/2 Sifters
